Foreign Language Centre (Ruia FLC)

“One language sets you in a corridor for life. Two languages open every door along the way.”

– Frank Smith, Psycholinguist, Linguistics and Cognitive psychology

Language and communication are essential for close relationships between people: for mutual understanding, social interaction and fruitful business contacts. With education moving towards skill-based training, multi-lingual abilities and cultural sensitivity have become must-haves on a candidate's job profile.

The Foreign Language Centre (FLC) at Ruia College was established in the year 2004 with this very aim to respond to the language needs of students in the new millennium. It is our mission to develop multi-lingual abilities of our students at all levels of study, to become proficient language users, prepare students to be inter-culturally competent, develop multicultural sensitivities to appreciate the idea of diversity and cultural tolerance.

The ability to speak a second (or third) language, competently if not fluently, is a huge asset today. Intellectually stimulating and socially rewarding, foreign language ability is also a great asset professionally in any line of work. FLC at Ruia is a great place to learn a language, whether for study, work or just for fun. We provide diverse learning resources, qualified and experienced professionals, activity-based learning focusing on all four language learning abilities – Speaking, Listening, Reading and Writing so that learning a language is both enjoyable and rewarding. All our Certificate Courses are credit-bearing Courses that students can take up along with their Undergraduate studies. One can choose from a variety of modern languages both European as well as Asian, including **English, French, German, and Spanish, Mandarin Chinese, Japanese and Korean**, to prepare for global demands.

Whether you want to enhance your research skills, read more widely, communicate with people more easily, improve your career prospects or simply learn something new, the Ruia's Foreign Language Centre looks forward to welcoming you!
