

WEBINAR ON

" THE CHEMISTRY OF BEHAVIOUR: UNDERSTANDING THE ROLE OF CHEMICAL COMPOUNDS IN ANIMAL BEHAVIOUR

MAY 26, 2020 | 2:00 - 3:00 PM

Organisms 'talk' with powerful chemical signals and alter each others' behaviour. Join us to learn about nature's oldest form of saying 'hello'!

Dr. Yashada Kulkarni

Ph.D. (Chemical Ecology), Former
Lead Associate Biodiversity and
Sustainability Tata Power Ltd. India,
Business and Biodiversity Professional,
