

Feedback on Curriculum for the academic year 2019-20:

Feedback on the curriculum was collected by IQAC for the academic year 2019-20 via google forms and the following suggestions have been received from the students:

- 1) To increase practical based assessment for courses involving skill-based components
- 2) To include more hands-on training session on advanced instrumentation
- 3) Omission of repetitive topics across different years of UG & PG program
- 4) Introducing more research projects at the undergraduate level
- 5) Inclusion of local and international developments in the field as a part of the curriculum
- 6) To introduce value added courses in the curriculum to enhance employability skills
- 7) To include survey-based assignments as a part of continuous internal assessment

Report of student's feedback regarding college facilities
